

CYIOS CORP. TO ACQUIRE PRIVATELY HELD SPECIALTY HEALTH AND WELLNESS COMPANY CHOICEWELLNESS, INC. AND DR'S CHOICE BRAND OF PRODUCTS

Florida, April 9th, 2020 (GLOBE NEWSWIRE) – CYIOS Corp (OTC:CYIO), a strategic advisory company focused on the future of FinTech, Health & Medical Services, Crypto, Blockchain and AI, today announced it has executed a Letter of Intent to acquire 100% of the ownership of privately held ChoiceWellness, Inc. (“CW.” CW is a health and wellness Company that has developed a specialty line of CBD products including topicals and tinctures primarily distributed through Doctors offices, medical practices and surgical centers. Upon closing, CYIO will own 100% of CW, in exchange for the issuance of preferred stock that will have the effect of giving the shareholders of CW a 20% equity interest in the Company. This transaction will not result in a change in control of the Company. The Company anticipates that the acquisition of CW will be completed this month.

Dr. Edward Pearson, Chief Medical Advisor- ChoiceWellness stated “The DR’s CHOICE line of products were specifically designed with a particular target market in mind, that being the medical professional community. Our products have been sold exclusively in Doctors’ offices, Chiro offices, surgical and orthopedic centers, where patients are generally seeking medical professional help from ailments caused by pain, inflammation, and/or other chronic like symptoms. Many patients are finding our products very helpful in achieving a normal lifestyle without daily aches and pains. In addition, our proprietary broad spectrum CBD oil, in combination with enhanced levels of the cannabinoid CBG has received wonderful accolades from many users, praising its benefits which users say helps with anxiety, focus, pain issues, etc. The company is now in the process of expanding its product categories as well as opening up distribution for ChoiceWellness products to the general public through a new online store soon to be released.”

David Greene, CEO-CYIOS, commented “The team of professionals from ChoiceWellness have done a terrific job of developing a unique distribution channel by marketing health and wellness products directly with medical professionals. They have developed some truly unique and proprietary products that we believe we can scale and further expand their distribution. Their Full Spectrum touch of honey and Broad Spectrum CBG watermelon and blueberry are the best tasting CBD tinctures we have ever tried and are among the most competitively priced CBD tinctures on the market. In addition, ChoiceWellness is working on some exciting new products that are anticipated to be released very soon that can help address global health demands and/or pandemics. We have already began designing a new website and online shopping experience for the current line of DR’s CHOICE products as well as products in development. The new website is anticipated to go live very soon.”

About ChoiceWellness, Inc

ChoiceWellness, Inc. is a health and wellness company that has brought to market the DR’s CHOICE line of products. DR’s CHOICE was developed with a mission to offer Doctors and Medical Practitioners their own Professional Grade CBD BRAND with a suite of products they could stand behind and be confident to offer to their patients. FORWARD-LOOKING STATEMENTS: This release contains “forward-looking statements.” Forward-looking statements also may be included in other publicly available documents issued by the Company and in oral statements made by our officers and representatives from time to time. These forward-looking statements are intended to provide management's current expectations or plans for our future operating and financial performance, based on assumptions currently believed to be valid. They can be identified by the use of words such as "anticipate," "intend," "plan," "goal," "seek," "believe," "project," "estimate," "expect," "strategy," "future," "likely," "may," "should," "would," "could," "will" and other words of similar meaning in connection with a discussion of future operating or financial performance.

Examples of forward-looking statements include, among others, statements relating to future sales, earnings, cash flows, results of operations, uses of cash and other measures of financial performance.

Because forward-looking statements relate to the future, they are subject to inherent risks, uncertainties and other factors that may cause the Company's actual results and financial condition to differ materially from those expressed or implied in the forward-looking statements. Such risks, uncertainties and other factors include, among others such as, but not limited to economic conditions, changes in the laws or regulations, demand for products and services of the company, the effects of competition and other factors that could cause actual results to differ materially from those projected or represented in the forward-looking statements. Any forward-looking information provided in this release should be considered with these factors in mind. We assume no obligation to update any forward-looking statements contained in this report.
