

CYIOS CORP. COMPLETES ACQUISITION OF PRIVATELY HELD CHOICE WELLNESS, INC.

Company Prepares to Launch New Online Retail Store for DR's CHOICE CBD Products and a New Line of Specialty Branded Products

Florida, May 8th, 2020 (GLOBE NEWSWIRE) – CYIOS Corp (OTC:CYIO), a strategic advisory company focused on the future of FinTech, Health & Medical Services, Crypto, Blockchain and AI, is pleased to announce the closing of its acquisition to acquire 100% of the ownership of privately held Choice Wellness, Inc. (“CW).” CW is a health and wellness Company that has developed a specialty line of CBD products under the brand DR’s CHOICE, including topicals and tinctures primarily distributed through Doctors offices, medical practices and surgical centers. CW also has been developing a new line of specialty branded products that the Company believes to be timely and anticipates will be well received by the marketplace. The Company plans to make those products available for sale in the very near future which will coincide with the official launch of the new online retail store.

The Company is pleased to announce the appointment of two new executives to the team. Mr. John O’Shea, founder of Helio Lending has been appointed to the role of Chairman of the Board, and Mr. David Lewis, Co-Founder of Choice Wellness has been appointed as Chief Executive Officer and Member of the Board.

Mr. O’Shea commented, “With over 25 years of business experience, executive leadership, brand building, SEO, online sales and marketing, I’m excited to join the Company as Chairman. I’m looking forward to providing executive leadership and strategic guidance as we launch our new online store and introduce some exciting new products that have been under development. I’m especially excited to now fully leverage our recently announced transaction with Cicero Transact with our upcoming new product releases and launching of our new online retail store. As previously reported, under the agreement, Cicero will supply Cyios with 2,500,000 records of business owners, medical professionals, pharmacists, restaurateurs, janitorial supply companies, cleaning services, hospitals, property and building management companies, and other key demographic targets that suit Choice Wellness products and our new branded products soon to be released. With the launch of the new Choice Wellness web site we will work with Cicero to execute a very focused strategic marketing plan including digital, advertising, and social media practices, such as LinkedIn, Twitter, Facebook, Instagram and SEO, This is all going to be directed to our new online store for the purpose of building product awareness, driving traffic to the site, and building sales of the company’s branded products.”

Mr. O’shea concluded, “I’m also very pleased to have Mr Lewis join me on the Board and come on as our CEO. Mr. Lewis provides our company with business leadership and extensive experience in the US public markets. He is Co-Founder of Choice Wellness and was responsible for bringing to market the Dr’s Choice brand of products which up till now, have been exclusively for Doctors and Medical professionals seeking a better solution for patients suffering from pain, inflammation, anxiety or other persistent symptoms. We are eager to launch our new online store making the DR’s Choice products widely available to all, along with some other exciting branded products the team has been hard at work developing and readying for our upcoming launch.”

About ChoiceWellness, Inc

FORWARD-LOOKING STATEMENTS: This release contains “forward-looking statements.” Forward-looking statements also may be included in other publicly available documents issued by the Company and in oral statements made by our officers and representatives from time to time. These forward-looking statements are intended to provide management's current expectations or plans for our future operating and financial performance, based on assumptions currently believed to be valid. They can be identified by the use of words such as "anticipate," "intend," "plan," "goal," "seek," "believe," "project," "estimate," "expect," "strategy," "future," "likely," "may," "should," "would," "could," "will" and other words of similar meaning in connection with a discussion of future operating or financial performance.

Examples of forward-looking statements include, among others, statements relating to future sales, earnings, cash flows, results of operations, uses of cash and other measures of financial performance.

Because forward-looking statements relate to the future, they are subject to inherent risks, uncertainties and other factors that may cause the Company's actual results and financial condition to differ materially from those expressed or implied in the forward-looking statements. Such risks, uncertainties and other factors include, among others such as, but not limited to economic conditions, changes in the laws or regulations, demand for products and services of the company, the effects of competition and other factors that could cause actual results to differ materially from those projected or represented in the forward-looking statements. Any forward-looking information provided in this release should be considered with these factors in mind. We assume no obligation to update any forward-looking statements contained in this report.
